**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm lucky to live in a competitive broadband market. I get better service from my provider in this competitive market than I have ever had with one of the major service providers. In markets with less choice, I've always had worse service. I'd be very disappointed with any action that reduces the ability of competitive broadband providers to compete effectively.
